Dear

[Redacted]

25X1

In accordance with the agreements reached at my last visit it is considered appropriate to confirm the re-allocation of funds within our task system. As has been previously emphasized, the task system was instituted for purposes of administrative simplicity and clarity and we have always desired that task work be accomplished using only those funds allocated under that particular task. Where possible, it is desired that this system be continued but due to the lack of funds remaining under contract 1589(05), it is obvious that some license with this task system must be taken.

In this regard, to confirm the agreement of my last visit, the funds allocated under Task C may be used to finish the work under Task E. This transfer should allow sufficient funds to complete both tasks.

Sincerely,

[Redacted Signature]
